Syniverse Technologies, Inc.**

**In compliance with PUCO Opinion and Order in Case No. 06-1345-TP-ORD**

PUCO Opinion and Order in Case No. 06-1345-TP-ORD provides that even within the P.U.C.O.'s mandatory detariffing environment, carriers must retain tariffs for the following Tier 1 services:

"local dial tone service; touch tone dialing service; access to and usage of 9-1-1 services; access to operator services and directory assistance; provision of a telephone directory and listing; per call, caller identification blocking services, access to telecommunications relay service, access to toll presubscription, interexchange or toll providers and networks of other companies (i.e., Basic Local Exchange Services).

Additionally, a tariff must continue to be maintained "for purposes of complying with Commission and/or Federal Communications (FCC) directives including, but not limited to: primary interexchange carrier (PIC) change charges, Alternative Operator and Inmate Operator Services (AOS/IOS); late payment and bad check charges, per call and per line blocking; intrastate special and switched access services provided to carriers; N-1-1 service; pole attachments and conduit occupancy; pay telephone service; and telecommunications relay service."

Syniverse Technologies, Inc. (hereinafter "Syniverse") does not provide local telecommunications services in Ohio. However, the Company has undertaken a review of the provisions embodied in the Company's P.U.C.O. Tariff No. 1, which sets forth the rates, terms and conditions of service associated with the Company's telecommunications service offering in the State of Ohio.

Set forth at Exhibit A hereto are pages from Syniverse's P.U.C.O. Tariff No. 1 which will be affected by the Company's compliance with the dictates of the P.U.C.O.'s Opinion and Order. Set forth at Exhibit B hereto is the text of P.U.C.O. Tariff No. 1 which will remain on file with the PUCO following the effectiveness of the Company's mandatory detariffing filing.

To the extent the provisions previously set forth in P.U.CO. Tariff No. 1 have not been superseded by P.U.C.O. rules, these rates, terms and conditions of service will continue to apply to Syniverse's Ohio telecommunications service offerings.
