Docketing Case No.: 08-709-EL-AIR, 08-710-EL-ATA, and 08-711-EL-AAM

Notes: COMPLAINT DESCRIPTION:

I do not think Duke should be allowed to charge customers for the windstorm. No one would expect us to get hurricane force winds in Ohio and for many they might have lost wages while power was down or have to put out money for repairs. To charge for something that should be part of the service anyway to me is just not right!

Please docket the attached in the case number above.
