Dear Sir or Madam:

**Re: Supplemental Application to amend certain terms to facilitate
Ohio Edison Company to enter into new letters of credit in
Case No. 87-950-EL-AIS
(Docket No. 09-199-EL-AIS)**

At the Staff's request, the Applicant would like to supplement its March 9, 2009 letter filed in Commission Case No. 09-199-EL-AIS to reflect the terms of the financings approved by the Commission through Orders issued respectively on July 14, 1994 in Case No. 94-1013-EL-AIS and on May 27, 2004 in Case No. 87-950-EL-AIS.

- The parameters of the 1994 financing are as follows:

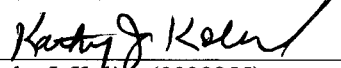

10 year, Letter of Credit issued by Societe Generale in the amount of \$278,000,000 at an annual cost of .10% with an upfront cost of \$20,000. This rate was considerably lower since it was a cash collateralized letter of credit.

- The parameters of the 2004 financing are as follows:

5 year, Letter of Credit, issued by Citibank in the amount of \$237,000,000 at an annual cost of 1.63% with an upfront cost of .75%. This was a credit linked note backed letter of credit.

All parameters of the actual financing were within the parameters of the PUCO issued Order.

Respectfully submitted,
