Effective immediately the prices, service descriptions, and the terms and conditions for services that you were provided under C.L.Y.K. d/b/a CloseCall America, Inc. will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

This modification does not automatically result in a change in the prices, terms, or conditions of those services to which you currently subscribe. CloseCall America, Inc. must still provide a customer notice at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Additionally, you will be able to view the company's future service offerings online at www.closecall.com or you can request a copy of this information by contacting CloseCall America, Inc. at 877-812-5673.

Since the services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company, instead of the document on file at the PUCO, will now control new services or changes in service. This agreement, whether it is verbal or written, will still be subject to consumer protections required and enforced by the PUCO.

For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

If you have any questions about this matter, please call CloseCall America at the toll free number 877-812-5673 or visit us at www.closecall.com. You may also visit the consumer information page on the PUCO's website at puc.ohio.gov for further information.
