COMMENT DESCRIPTION:

Please don't raise our electric rates AGAIN! It appears that every time I pick up the Enquirer, Duke is requesting another on-going, never-ending rate increases. When one increase ends, they are back again wanting more! Where is this going to end? It is also very alarming that they now want us to pick up the tab for storm costs listed as a rider on our bills. I can't even fathom how much this will cost us ... this is absolutely WRONG. Why doesn't the PUCO have our backs on this? Is Duke conveniently raising our rates now so that God forbid the Cap and Trade goes through that they can even collect more from us!!! This is truly wrong. Please stop them from raising our rates.

Thank you for allowing me to provide feedback via this website. It is so important that every customer's voice is heard .
