March 30, 2009 This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.  
Technician Ann Date Processed 3/31/09

1                                    PREPARED TESTIMONY OF BARBARA BOSSART

2  
3        1) Q. Please state your name and business address.

4            A. My name is Barbara Bossart. My business address is 180 E. Broad Street,  
5            Columbus, Ohio 43215-3793.

6  
7        2) Q. By whom are you employed?

8            A. I am employed by the Public Utilities Commission of Ohio.

9  
10       3) Q. What is your present position with the Public Utilities Commission of Ohio  
11            and what are your duties?

12           A. I am a Utility Specialist 2 in the Reliability and Service Analysis Division  
13           of the Service Monitoring and Enforcement Department. I am responsible  
14           for analyzing service quality performance as well as recommending and  
15           enforcing service-quality and consumer-protection policies and rules for  
16           non-competitive gas and electric utilities.

17  
18       4) Q. Would you briefly state your education background and work experience.

19           A. I have a bachelors degree from Marshall University and I have been  
20           employed by the Public Utilities Commission of Ohio since 1999. For six  
21           years, I worked as an Investigator in the Investigation and Audits Division  
22           of the Service Monitoring and Enforcement Department. As an

Investigator my duties included interacting with the consumers to investigate their concerns about utility companies' policies and practices. I also performed Customer Service Audits to identify customer service issues or non-compliance with rules. In May 2005 I was promoted to my current position and duties.

5) Q. What is the purpose of your testimony in this case?

A. My testimony responds to Objection F of the Office of the Ohio Consumers' Counsel (OCC) and to Objections VII, VIII of Ohio Partners for Affordable Energy (OPAE).

6) Q. Can you address OCC's objection that the Staff Report failed to recommend that Duke provide its customers OCC's correct telephone number on its Final Disconnection Notice?

A. Yes, Staff agrees that Duke should provide OCC's correct telephone number on its Final Disconnection notice.

7) Q. Can you address OCC's objection that the Staff Report failed to recommend that Duke provide the option of allowing its customers to pay their deposits in three (3) monthly installments?

A. The Ohio Revised Code (O.R.C.) Section 4933.17 allows gas companies an opportunity to collect a security deposit in order to secure payment of

1 bills for commodity furnished. Deposits are only required if customers  
2 cannot establish creditworthiness. Chapter 4901:1-17 of the Ohio  
3 Administrative Code (Chapter 17) outlines the requirements that gas  
4 companies must follow to determine if a customer is creditworthy.  
5 Recently Chapter 17 was opened for comment and the Commission did not  
6 change the rule to require the companies to bill the deposit in installments.  
7 Staff does not believe the Commission should require Duke to offer its  
8 customers more than what is required by Chapter 17, but Staff is not  
9 opposed to the practice of billing deposits in three installments.

10  
11 8) Q. Can you address OPAC's objection that the Staff Report failed to require  
12 Duke to undertake educational efforts to help customers understand the  
13 difference between authorized and non-authorized payment stations?

14 A. Yes, I can. The Commission recently adopted new requirement that electric  
15 utilities provide signage to the authorized agent with its logo, or other  
16 appropriate indicator, affirming that the payment location is an authorized  
17 agent of the electric utility. Staff believes that this addition to Rule 4901:1-  
18 10-22 (D) of the Ohio Administrative Code, will help ensure that customers  
19 are aware of whether or not a merchant is an authorized agent. Staff has  
20 also found (while monitoring customer calls to Duke's call center) that  
21 Duke's customer service representatives (CSRs) do advise customers of the  
22 need to pay at an authorized agent and provide the location of the nearest

1 agents upon request. Based on the new requirement mentioned above and  
2 Duke's current CSR practices, Staff does not believe Duke should be  
3 required to undertake an education program in this proceeding.

4

5 9) Q. Does this conclude your testimony?

6 A. Yes, it does.

CERTIFICATE OF SERVICE
