RECEIVED-SECTION 119-11

Re: Case No. 08-1171-TP-CSS

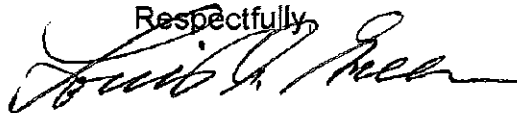

Dear Mr. Jennings:

I am sending this letter to formally request a rescheduling of the hearing on my complaint filed against Cincinnati Bell. The hearing was set for April 21, 2009, at 10:00AM. The reason for this request is a conflict with meetings I have to attend in Detroit on April 20, 2009.

The issue in Detroit involves an engine patent I have been working on for many years that now has attracted some interest from the automotive industry due to its economical and environmental advantages. The meetings scheduled for the 20th are in conjunction with the Society of Automotive Engineers World Congress held in Detroit on April 20th through April 24th.

Again, I hereby formally request the hearing scheduled for April 21, 2009, to be rescheduled to a later date. I do look forward to presenting the factual evidence against Cincinnati Bell and get that issue resolved. I will greatly appreciate your understanding and assistance in this matter.

Respectfully,

Louis A. Green
