ENTRY

The Commission finds:

- (1) The above-referenced complaint was filed on December 10, 2008. In the complaint, Scott L. Stickney indicated that, due to The Dayton Power and Light Company's (DP&L) failure to clear power lines of tree branches, he experienced outages and power surges that damaged electrical appliances in his home.
- (2) On December 31, 2008, DP&L filed an answer denying the allegations in the complaint.
- (3) On April 28, 2009, DP&L and Mr. Stickney filed a joint notice of dismissal stating that a settlement has been reached in the case and that the complainant voluntarily dismisses this action.
- (4) The Commission finds that the parties' request to dismiss the complaint is reasonable and should be granted.

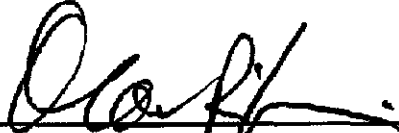

It is, therefore,

ORDERED, That the request to dismiss the complainant is granted. It is, further,

ORDERED, That Case No. 08-1291-EL-CSS be dismissed. It is, further,

ORDERED, That a copy of this entry be served upon each party of record.
