CARRIER-TO-CARRIER SERVICES

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)**2.2 Limitations, (Cont'd.)**

- 2.2.7 The service is furnished subject to the condition that it will not be used for any unlawful purpose. Service will be discontinued if any law enforcement agency, acting within its apparent jurisdiction, advises in writing that such service is being used in violation of the law. The Company will refuse to furnish service when it has reasonable grounds to believe that such service will be used in violation of the law.

2.3 Liabilities of Company

- 2.3.1 The Company's liability for damages arising from any failure of service shall not exceed an amount equivalent to the proportionate charge to the Customer for the period during which the failure occurs.
- 2.3.2 The Company shall not be liable for any claim or loss not directly caused by negligence of the Company.
- 2.3.3 The Company is not liable for any act or omission of any other Company or companies furnishing a portion of the facilities, equipment or services used in connection with the services provided by the Company.
- 2.3.4 The Company shall not be liable for the use or abuse of a Customer's service by any party including, but not limited to, the Customer's employees or members of the public. "Use or abuse" includes, but is not limited to, any calls placed by means of a PBX re-origination or other legal or illegal equipment, service or device. The Company shall not be liable for any action, such as blocking or refusal to accept certain calls, that it deems necessary to take in order to prevent unlawful use of its services. Compensation for any injury the Customer may suffer due to the fault of parties other than the Company must be sought from such other parties.
- 2.3.5 The Company shall not be liable for any personal injury, or death of any person or persons, and for any loss or damage sustained by reason of acts, mistakes, omissions, errors or defects in providing its services, whatever shall be the cause and whether negligent or otherwise.
- 2.3.6 Inclusion of early termination liability by the Company in its tariff or a contract does not constitute a determination by the Commission that the termination liability imposed by the Company is approved or sanctioned by the Commission. Customers shall be free to pursue whatever legal remedies they may have should a dispute arises.

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)**2.3 Liabilities of Company, (Cont'd.)**

- 2.3.7 The liability of the Company for service irregularities shall in no event exceed an amount equivalent to the proportionate charge to the Customer for the service for the period during which the service irregularity exists. Service irregularities are defined as mistakes, omissions, interruptions, delays, errors, or defects in transmission, or failure of or defects in the service and/or facilities furnished by the Company which occur in the course of furnishing service or facilities and are not caused by the negligence of the Customer or the negligence of the Company in failing to maintain proper standards of maintenance or operation, or to exercise reasonable supervision.
- 2.3.8 The Company shall not be liable for any failure of performance due to causes beyond its control, including, without being limited to, acts of God, fires, floods or other catastrophes, national emergencies, insurrections, riots or wars, strikes, lockouts, work stoppage or other labor difficulties, acts or omissions of other carriers, and any law, order, regulation or other action of any governing authority or agency thereof.
- 2.3.9 The Company shall be indemnified and held harmless by the Customer against the following:
- A. Claims for slander, libel or infringement of copyright arising out of the materials, data, information or other content transmitted over the Company's facilities.
 - B. All other claims arising out of any act or omission of the Customer in connection with any service or facility provided by the Company.
- 2.3.10 Approval of the limitation of liability language by the PUCO does not constitute a determination by the Commission that the limitation of liability imposed by the Company should be upheld in a court of law. Approval by the Commission merely recognizes that since it is a court's responsibility to adjudicate negligence and consequent damage claims, it is also the court's responsibility to determine the validity of the exculpatory clause.

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)**2.17 Special Construction And Special Arrangements, (Cont'd.)**

2.17.4 Termination Liability - To the extent that there is no other requirement for use by the Company, a termination liability may apply for facilities specially constructed at the request of the Customer. The Customer will be notified of the termination liability provisions prior to installation.

Description of and Rationale for Merger

Description of and Rationale for Merger

Cavalier Networks LLC ("Cavalier Networks") and Elantic Telecom, Inc. ("Elantic Telecom") (jointly, "Applicants") hereby notify the Commission of the merger of Cavalier Networks with and into Elantic Telecom ("Merger"). As a result of the Merger, Elantic Telecom will be the surviving entity and Cavalier Networks will cease to exist as a separate entity. All of the assets (including the customer base) of Cavalier Networks will be merged with and into Elantic Telecom. Accordingly, Cavalier Networks also notifies the Commission of its abandonment of service currently provided under its Certificate 90-9115, and requests that the Commission cancel that certificate upon consummation of the Merger. Customers currently served by Cavalier Networks will be transferred to and served by Elantic Telecom, with no change to the rates, terms or conditions of service.

I. DESCRIPTION OF APPLICANTS

A. Elantic Telecom, Inc.

Elantic Telecom, Inc. is a Virginia public service corporation with its headquarters at 1450 E. Parham Road, Richmond, Virginia 23280. Elantic Telecom is a wholly-owned direct subsidiary of Elantic Networks, Inc. ("ENI"), which in turn is wholly owned by CavTel Holdings, LLC ("Cavtel Holdings"), a Delaware limited liability company, which is wholly owned by Cavalier Telephone Corporation ("CTC"), a Delaware Corporation.

Elantic Telecom operates in Ohio as a Competitive Telecommunications Service ("CTS") provider pursuant to Certificate Number 90-9291. Elantic also holds domestic and foreign Section 214 authorizations from the Federal Communications Commission ("FCC"), and is authorized to act as a common carrier and reseller of telephone services, including facilities-based local exchange and interexchange telecommunications services to customers in various other states. Elantic provides long-haul dark fiber, lit fiber telecommunications and collation services. It currently serves four (4) customers in Ohio.

B. Cavalier Networks LLC

Cavalier Networks, a Delaware limited liability company, is a wholly-owned subsidiary of CavTel Holdings, which is in turn wholly owned by CTC. Cavalier Networks' address is 2134 West Laburnum Avenue, Richmond, Virginia.

Cavalier Networks operates as a Competitive Telecommunications Services provider in Ohio pursuant to Certificate Number 90-9115. Cavalier Networks provides collocation and dark fiber services to three (3) customers in Ohio. It does not provide voice services and serves no residential customers.

II. THE MERGER

On April 27, 2009, Elantic Telecom and Cavalier Networks executed an Agreement and Plan of Merger, providing for a merger of Cavalier Networks with and into Elantic Telecom. Immediately after the closing under this agreement, Cavalier Networks will no longer exist as a separate entity as a result of the Merger and Elantic Telecom will be the surviving entity of the Merger. The proposed Merger will not affect overall control of the joint Applicants, since both companies are and will continue to be owned and controlled by CavTel Holdings, and ultimately the parent company, CTC.

III. ABANDONMENT OF SERVICE BY CAVALIER NETWORKS

Since Cavalier Networks will cease to exist as a separate entity following the proposed Merger, it seeks to voluntarily abandon the services that it provides under its CPC and cancel that CPC. Those services will be provided without interruption by Elantic Telecom immediately after the close of the Merger; accordingly, no Cavalier Networks customers will see their services interrupted or discontinued.

IV. CUSTOMER IMPACT

The proposed Merger and the abandonment of service under Cavalier Networks' CPC will be transparent to customers. Although the transaction will result in a technical change in the carrier serving customers of Cavalier Networks in Ohio, the customers will continue to receive the same services at the same rates, terms and conditions. Moreover, Cavalier Networks has only three customers in Ohio, all of which are

either businesses or government agencies. Thus, no residential customers will be affected by the Merger or abandonment of service.

After completion of the Merger, Elantic Telecom will continue to provide the same services at the same rates, terms and conditions as at present and any future changes in the rates, terms and conditions of service will only be made consistent with Commission requirements. The Merger is not expected to result in any discontinuance of service Cavalier Networks' customers. Moreover, in addition to having access to Elantic Telecom's experienced and high-quality management team, the operations related to former customers of Cavalier Networks will continue to be supervised by the same management, technical and customer service personnel that oversee the current, pre-merger operations. All customers will still continue to use the same number to reach customer service.

To ensure that there is no customer confusion and to make Cavalier Networks' customers in Ohio aware of the Transaction, customer notice of the merger has been provided to Cavalier Networks' customers, explaining that their service provider is undergoing a change in ownership and/or control. This notice also describes the impending change of Elantic Telecom's name to Intellifiber Networks, Inc., which will take place following the Merger. A separate application for the name change will be filed immediately following consummation of the Merger. A copy of the customer notice is attached as *Exhibit G*.

V. PUBLIC INTEREST ANALYSIS

The Merger will serve the public interest, by allowing the two existing entities to operate more efficiently as a single entity under the same management that currently exists. All current customers of the affected entities will continue to receive their existing services without interruption, and with no change to the existing terms or conditions of service. As such, the Merger and abandonment of service under Cavalier Networks' CPC will be transparent to customers and will not lead to service disruptions or customer confusion. Notably, only three customers, two of which are telecommunications carriers and the other is a university, will be affected by the proposed Merger.

The proposed Merger is intended to enhance the financial, managerial, and technical qualifications of Cavalier Networks to provide telecommunication services. The Applicants expect that the Merger will

increase competition in the Ohio telecommunications market by strengthening Elantic Telecom's position as an effective and multifaceted telecommunications carrier. Moreover, upon completion of the Merger, Elantic Telecom's financial and capital resources will be available for investment in services previously received by customers of Cavalier Networks, thereby permitting a continuation of high quality telecommunications services to customers in Ohio while also permitting it to pursue new business opportunities. As such, the Merger will enhance Elantic Telecom's existing operational and managerial stability or expertise.
