Dear Ms. Jenkins:

AT&T, one of the Respondents in the referenced case, has been informed by the Commission Staff that it has been successful in resolving this case on an informal basis. Based on that information, we believe the complaint has been settled to the Complainant's satisfaction. AT&T thanks the Complainant, Clear Rate Communications, and the Commission Staff for their courtesy and assistance in resolving this matter.

Under Section 4901-9-01(F) of the Commission's rules, the Complainant has twenty days to file a written response agreeing or disagreeing with our assertion that the matter has been settled. Under that rule, if no response is filed, the Commission may presume that satisfaction or settlement has occurred and dismiss the complaint.

Thank you for your courtesy and assistance in this matter. Please contact me if you have any questions.

Very truly yours,

/s/ Jon F. Kelly
