MEMORANDUM IN SUPPORT
OF
MOTION FOR EXTENSION
AND
REQUEST FOR EXPEDITED RULING
OF
AKRON THERMAL, LIMITED PARTNERSHIP

By its entry in these dockets of June 17, 2009, the Commission consolidated the above-captioned cases and established a procedural schedule that included a July 1, 2009 due date for Akron Thermal's testimony in these matters. By the foregoing motion, Akron Thermal has

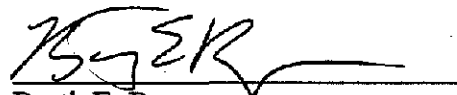

requested that the due date for the filing of its testimony be extended until July 2, 2009.

Although Akron Thermal anticipated that it would be prepared to file its testimony by July 1, 2009, the need to address the matters raised in all five applications through testimony, coupled with the workload of undersigned counsel, has necessitated a request for a one-day extension of the due date for the filing of its testimony. Akron Thermal believes that, if its motion is granted, fairness requires that the current July 7, 2009 due date for the filing of intervenor testimony and the current July 8, 2009 due date for the filing of Staff comments and testimony also be extended by one day, and has no objection to such corresponding extensions.

In view of the proximity of the otherwise applicable due date for its testimony, Akron Thermal requests an expedited ruling on its motion pursuant to Rule 4901-1-12(C), OAC. Akron Thermal notes that, in the case of requests for extensions of five days or less, the rule provides for the issuance of an immediate ruling without the filing of memoranda.

WHEREFORE, Akron Thermal, respectfully requests that its motion and request for an expedited ruling be granted.

Respectfully submitted,
