**RE: In the Matter of the Commission's Collection of Data  
with Respect to the Provision of Service by New Entrants.  
Case No. 99-1170-TP-DTA**

Dear Ms. Crockron:

This letter is in response to the Commission's entry of October 7, 1999 in the above noted proceeding. Although ALLTEL Communications, Inc. (ALLTEL) has not yet completed its NEC certification process, enclosed is a response to the Commission's data request concerning service areas. Note that ALLTEL is not presently providing service in any exchange. As soon as ALLTEL files and receives approval of its final tariff, a new checklist will be submitted indicating service availability by exchange.

If there are any questions, please call me at (501) 905-5342.

Sincerely,

  
Larry Krajci
