Re: Site Layout Plans
DPL Energy Greenville Project
Case No. 99-996-EL-BGN

Dear Mr. Guy:

The Site-Permit Plan Property Arrangement, Black & Veatch Drawings 96222-CSTU-S1001 and -S1002, submitted on February 7, 2000, have been reviewed by the staff. It appears that the project represented on these drawings is consistent with the description of the facility certificated in this case. Consequently, Condition (19) of Section III of the Certificate has been satisfied.

Very truly yours,

Kim Wissman
Siting Officer
