RE: Letter of Notification
Delafoil 138 kV Supply Line
Case No. 96-276-EL-BLN

Dear Mr. Regulinski:

This is in response to your Letter of Notification for the above referenced project which was filed on March 15, 1996. Please be informed that the filing meets the informational requirements for a Letter of Notification as required by Ohio Administrative Code 4906-15-12 and the project may proceed. In addition, the requested waiver of the 90 day filing time period is hereby granted.

An invoice for the direct cost of processing this Letter of Notification will be forthcoming. The remittance should be made payable to the Public Utilities Commission of Ohio, Fund 561, Power Siting Fund.

Please notify the Board at least seven (7) days prior to the planned date of construction and within seven (7) days following completion of the project.

Sincerely,

Kim Wissman
Siting Officer
Ohio Power Siting Board
