ISDN PROMOTION BILL INSERT

Germany, etc.
on the Internet
for sale with an
Internet connection

**FREE ISDN
LINE CONNECTION**
between October 1
and December 31, 1998.

An Ameritech ISDN Line Puts You On The Fast Track.

**Download Files Quickly
While Sending a Fax.**

Watch Video in Real Time.

Listen to CD-Quality Music.

With an ISDN—Integrated Services Digital Network—line from Ameritech, you can connect online with digital speeds up to 128K. That's up to 4 times faster than standard 28.8K or 33.6K analog modems. So popular Web sites that seem to take forever to view will load much faster—even those rich with complex graphics, animation, audio and video. What's more, your Ameritech ISDN line works as two lines in one. So you can make a voice call while surfing the Web. Or even send a fax while downloading a file! Now you won't have to miss important calls while connected to the Internet.

Save Over \$116*

FREE line connection for Ameritech customers.

When you sign up for an Ameritech ISDN line between October 1, 1998 and December 31, 1998, you'll receive FREE line connection—a savings of over \$116*. So to get more from your time online, get on board with this special Ameritech offer. To order service, or for more information, simply call toll-free 1-888-878-ISDN (1-888-878-4736). And for a revealing side-by-side demonstration, go online to www.ameritech.com/homeisdn

Ameritech.

ISDN can be a benefit to you.

Take 30 seconds to see if ISDN can be a benefit to you.

I have a 486-or-better Windows® PC or a 68040 or PowerPC® Macintosh?

☐ YES ☐ NO

I already have, or can switch to an Internet Service Provider that supports ISDN.

☐ YES ☐ NO

I frequently access the World Wide Web, or would like to use the Web more.

☐ YES ☐ NO

If you answered "YES" to all these questions... you'll appreciate the increased speed and flexibility of an Ameritech ISDN line! Please note that you'll also need:

- An ISDN terminal adapter—a digital device that resembles your old analog modem.
- An Internet Service Provider that supports ISDN connections.

If you're not sure if ISDN is for you or you need more information... check out the Ameritech ISDN information and FAQ on the World Wide Web at www.ameritech.com/homeladn
