## **EXHIBIT C – DESCRIPTION OF FILING**

This filing is being made to add a new residential bundle to the tariff, Home Pak Advantage. This bundle offers customers 17 custom calling features and is only available with long distance service. Because it is only available with long distance service the rate for the bundle is not in the tariff but the rate for the entire bundle, including the long distance service, can be found on Cincinnati Bell's website. Also with this filing Home Phone Pak 2 is being grandfathered. Customers currently subscribing to this bundle will be allowed to keep the bundle until they initiate a change to the bundle. They will also be allowed to keep this bundle if they move to a new location, as long as there are no changes made to the bundle. For these reasons Cincinnati Bell did not send customers any notification because customers will not see any change in their bundle until they initiate a change to the bundle.
