**In the Matter of the Complaint of Carl Blankenship,**

**Complainant,**

**V.**

**AT&T Ohio and Clear Rate Communications,**

### Respondents.

Case No. 09-508-TP-CSS

## ENTRY

### The Commission finds:

- (1) On June 16, 2009, Mr. Carl Blankenship filed a complaint against AT&T Ohio and Clear Rate Communications.
- (2) On June 30, 2009, AT&T Ohio docketed a letter stating that a settlement of this complaint had been reached on an informal basis. Citing to Rule 4901-9-01(F), Ohio Administrative Code (O.A.C.), AT&T Ohio asserts that the Commission can dismiss this matter should the complainant not file a written response disagreeing with this assertion within 20 days.
- (3) By entry issued on July 2, 2009, Mr. Blankenship was afforded an opportunity to file a response to AT&T Ohio's assertion that the complaint had been settled.
- (4) Nothing further has been docketed in this matter since the July 2, 2009 entry. Therefore, in accordance with Rule 4901-9-01(F), O.A.C., the Commission will presume that satisfaction or settlement of the complaint has occurred and that this matter should now be dismissed.

It is, therefore,

ORDERED, That this matter be dismissed in accordance with finding 4. It is, further,

ORDERED, That a copy of this entry be served upon all parties of record.
