Excel allows Customers to make payment for services rendered through alternative payment processing options, including but not limited to, credit card payments and automated clearing house ("ACH") transactions. Customers may make payment using alternative payment processing through Excel's Customer Care Center, the Company's internet website or other methods approved by Excel. Beginning February 1, 2004, any residential Customer who enrolls in Excel's Recurring Payment Plan will be eligible to receive a one-time credit in the amount of ten dollars (\$10.00). This credit will be applied to the Customer's monthly billing statement after the Customer's first successful and valid automated payment transaction and should appear on one of the following two billing statements. Each Customer will be eligible to receive the credit only once per Customer account. I. Unlimited Plan<sup>1</sup>

(N)

The Unlimited Plan provides residential Customers with local calling, long distance calling and features for a flat rate. In order to subscribe to the Unlimited Plan, the Customer must select Excel as the primary service provider for local exchange, intraLATA interexchange and interLATA interexchange telecommunications services. In addition, the Customer must select the following long distance plan: Excel Value 3.9 Long Distance Plan. Furthermore, Customers of the Unlimited Plan must enroll in Excel's Recurring Payment Plan as described in Section 2.5.7 of this tariff. The availability of the Unlimited Plan to the Customer may be restricted based upon Excel's access to services through the incumbent local exchange carrier. Monthly recurring and non-recurring charges apply.

The Unlimited Plan is a bundled service package which includes single-line local service, Caller ID – Name and Number, Call Waiting, Call Forwarding, Call Waiting ID, Call Return, Call Blocking, Speed Dialing 8 and Three Way Calling. Customers will also receive unlimited domestic long distance usage. The unlimited domestic long distance usage is for residential voice use only and applies to non-operator assisted, direct-dialed domestic calls. Use for home office, small business, large commercial business, or other commercial use is prohibited and may result in termination of the service.
