Re.: Compact fluorescent light bulbs (CFL's) being delivered by First Energy

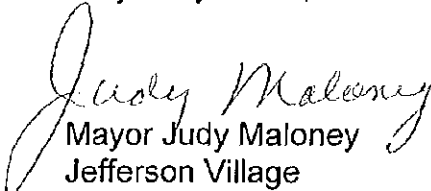

Dear Members:

The Jefferson Village Council, on behalf of the residents of Jefferson, Ohio 44047, wants to be on record **AGAINST** delivery of CFL's.

We have never heard of a scheme like this that allows a service provider to force home owners to accept unsolicited goods and then allows the provider to overcharge for the product and recover the cost of energy supposedly saved as a result of using the product.

The Village of Jefferson is adamant that PUCO prevent this plan from being implemented.

Very Truly Yours,

  
Mayor Judy Maloney  
Jefferson Village
