ENTRY

The Commission finds:

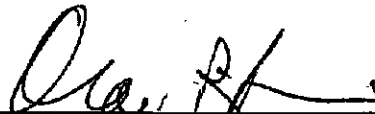

- (1) The complaint in this case, which alleges improper billing practices, was filed on February 5, 2008, by the complainant, Realty Professionals, Inc., against the respondent, Primus Telecommunications, Inc. (Primus).
- (2) The respondent filed a response to the complaint on February 25, 2008, stating that the involved accounts had been canceled, as requested, and credits issued resulting in the complainant's accounts reflecting a zero balance.
- (3) On October 7, 2009, complainant docketed a letter acknowledging that Primus had released the toll free numbers in dispute to complainant's new carrier and that Primus had not attempted to re-invoice complainant. Therefore, complainant asserted that this matter could be dismissed.
- (4) Based upon the complainant's October 7, 2009, letter, the Commission determines that this matter can be dismissed of record at this time.

It is, therefore,

ORDERED, That this case be dismissed in accordance with the above findings. It is, further,

ORDERED, That a copy of this entry be served upon all parties of record.
