This letter is to acknowledge my support for the Buckeye Wind Project. I strongly believe that the Buckeye Wind Project will provide many positive benefits to our community including:

- Long-term farmland preservation;
- Provide millions in tax revenue to schools and local government;
- Will contribute to the increased supply of clean energy for our country;
- Will reduce the amount of carbon dioxide produced by coal generation;
- Contribute hundreds of millions of dollars in investment to Champaign County and Ohio;
- Help Ohio in meeting the amount of renewable energy required by Senate Bill 221.

Sincerely,
