### FINDING AND ORDER

The Commission finds:

- (1) Ohio Edison Company (OE), The Cleveland Electric Illuminating Company (CEI), and The Toledo Edison Company (TE) (collectively, the companies) are public utilities as defined in Section 4905.02, Revised Code, and, as such, are subject to the jurisdiction of this Commission.
- (2) On November 5, 2008, in Case No. 06-653-EL-ORD, the Commission adopted rules, regulations, and practices for the construction of electric line extensions in Rule 4901:1-9-07 of the Ohio Administrative Code (O.A.C.).
- (3) On May 6, 2009, the Commission issued an entry on rehearing in Case No. 06-653-EL-ORD, which ordered electric companies to file applications to revise their tariffs to be consistent with the revised rules within 60 days of the effective date. Revised Rule 4901:1-09-07, O.A.C., became effective on August 29, 2009.

- (4) In response to the Commission's directive, the companies filed applications to revise their tariff sheets on October 2, 2009, in Case Nos. 09-894-EL-ATA (OE), 09-895-EL-ATA (CEI), and 09-896-EL-ATA (TE). In these applications, the companies propose to revise their tariff sheets associated with the rules, regulations, and practices for the construction of line extensions.
- (5) The Commission has reviewed the applications to revise the companies' tariff sheets, as well as the associated revised tariff sheets, and finds that the modified provisions filed pursuant to Section 4909.18, Revised Code, comply with the requirements of Rule 4901:1-9-07, O.A.C., and do not appear to be unjust and unreasonable. Therefore, we find that the applications should be approved.

It is, therefore,

ORDERED, That the applications filed in Case Nos. 09-894-EL-ATA, 09-895-EL-ATA, and 09-896-EL-ATA be approved. It is, further,

ORDERED, That the companies are authorized to file, in final form, four complete copies of the tariffs, consistent with this finding and order. Each company shall file one copy in its TRF docket (or make such filing electronically as directed in Case No. 06-900-AU-WVR) and one copy in this case docket. The remaining two copies shall be designated for distribution to the Rates and Tariffs, Energy and Water Division of the Commission's Utilities Department. It is, further,

ORDERED, That the effective date of the new tariffs shall be a date not earlier than both the date of this finding and the date upon which the final tariffs are filed with the Commission. It is, further,

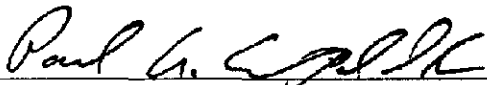

ORDERED, That nothing in this finding and order shall be binding upon this Commission in any future proceeding or investigation involving the justness or reasonableness of any rate, charge, rule, or regulation. It is, further,

ORDERED, That a copy of this finding and order be served upon each company and all parties of record.
