ENTRY

The Commission finds:

- (1) Section 4905.302(C), Revised Code, and Rule 4901:1-14-07, Ohio Administrative Code, require that the Commission periodically conduct audits and hold hearings related to the gas cost recovery rates utilized by the regulated natural gas companies. The Commission opened each of the above eight dockets in order to receive the involved companies' respective gas cost recovery reports and address any gas cost recovery-related motions and pleadings.
- (2) The Commission did not initiate any formal audits for these eight companies during 2009. Also, no hearings were requested or held in these cases.
- (3) We conclude that no hearings need to be held in these cases and that these dockets should be closed of record.

It is, therefore,

ORDERED, That Case Nos. 09-204-GA-GCR, 09-205-GA-GCR, 09-209-GA-GCR, 09-211-GA-GCR, 09-212-GA-GCR, 09-213-GA-GCR, 09-216-GA-GCR, and 09-221-GA-GCR be closed as a matter of record. It is, further,

ORDERED, That a copy of this entry be served upon all parties of record in these cases.
