Section III. – Attestation

Registrant hereby attests to its compliance with pertinent entries and orders issued by the Commission.

AFFIDAVIT

Compliance with Commission Rules and Service Standards

I am an officer/agent of the applicant corporation, AT&T Ohio, and am authorized to make this statement on its behalf.

I attest that these tariffs comply with all applicable rules, including the Minimum Telephone Service Standards (MTSS) Pursuant to Chapter 4901:1-5 OAC for the state of Ohio. I understand that tariff notification filings do not imply Commission approval and that the Commission's rules, including the Minimum Telephone Service Standards, as modified and clarified from time to time, supersede any contradictory provisions in our tariff. We will fully comply with the rules of the state of Ohio and understand that noncompliance can result in various penalties, including the suspension of our certificate to operate within the state of Ohio.

I declare under penalty of perjury that the foregoing is true and correct.

4. BUSINESS CATEGORY SEARCH

A. Description

1. Business Category Search will provide residential customers with the ability to request business listings for a specified category of businesses, when they do not know the name of the business they are seeking. Requested listings can be searched for in the local calling area, as described in Part 4, Sections 1 and 2, of this tariff or outside the customer's home numbering plan area (HNPA), as described in Part 9, Section 4 of this tariff. Information Call Completion is offered with Business Category Search for listings within the customer's home numbering plan area. The service is available where facilities permit.

The Company searches and retrieves listings that match the customer's requested business category for the requested city/locality. Where available, the first two listings offered to the customer are for companies that advertise with an AT&T affiliate in the relevant business category and serve the requested city/locality. Those companies may or may not be physically located within the requested city/locality, but are required to serve that area. As to other listings offered to the customer, the Company searches and retrieves listings within a pre-defined radius of a center point in the city/locality, unless the customer requests the search use a specific intersection or address, in which case the Company searches and retrieves listings within a pre-defined radius of the requested intersection or address. Center point, intersection, and street address searched listings, which can include companies advertising with an AT&T affiliate, are offered to the customer in order of nearness to the center point, or specified intersection or address from which the search is conducted.

(N)

2. Telephone calls by customers for telephone number listings will be answered and numbers given by an Audio Response Unit (ARU) or an operator.
3. Customers desiring more than one listing must inform the operator at the beginning of the call that they want multiple listings. A maximum of ten requested telephone numbers will be provided for each Business Category Search call. Each listing request is subject to the rates listed in 4.B.1 following.
4. The *Prices* in Paragraph B. following apply for all calls for Business Category Search.
5. The Company shall not be liable for any errors or omissions, whether arising through negligence or otherwise, in the information furnished; and the customer shall indemnify and save the Company harmless against all claims (including costs and reasonable attorneys' fees) that may arise from the use of such information.
6. No exemptions apply for Business Category Search.

EXHIBIT C

AT&T Ohio hereby revises Part 11 Section 2 of its AT&T Ohio Tariff P.U.C.O. No. 20, to amend the description of Business Category Search, clarifying the listing search and retrieval processes.

EXHIBIT D

The following bill page message was printed on the bills of all residential and business customers from August 31, 2009 through October 30, 2009.
