Re: Water and Sewer LLC
Case No. 10-52-ST-ATA

Dear Ms. Jenkins:

89-7045-WS-TRF

By its application in the above-referenced docket dated January 19, 2010, Water and Sewer LLC (W&S) seeks Commission approval of a revised bill format and certain other unrelated changes to its current sewer tariff, P.U.C.O. No. 3.

As a result of discussions with Commission staff, W&S has agreed to revise the proposed tariff language relating to the prohibition against the discharge of clean water into the W&S collection system set forth in Paragraph 11, Section 3, First Revised Sheet No. 8 of the proposed tariff sheets included in Exhibit B to the application. Accordingly, W&S hereby withdraws proposed Section, 3, First Revised Sheet No. 8 of Exhibit B, and substitutes therefore the version of Section 3, First Revised Sheet No. 8 submitted herewith.

Thank you for your attention to this matter.

Sincerely,

Barth E. Royer
Attorney for Water and Sewer LLC

Section 3
First Revised Sheet No. 8

complaints in accordance with Rule 4901:1-15-14(D), OAC. If the complainant is not satisfied with the Company's report, the Company shall promptly inform the customer of the availability of the Commission's complaint handling procedures, including the current address and the toll-free telephone number of the Commission's Call Center. The Company will also investigate customer complaints referred to it by the Commission. The Company will submit a report to the Commission within ten business days after the receipt of a Commission request for information concerning a complaint(s). The report shall outline the Company's investigation and any corrective measure(s) taken. The Company shall submit reports in writing upon Commission request.

11. Prohibited Discharges. No customer shall cause the discharge of Clean waters into any Company service line or Collection main without the written consent of the Company.
