**Re: McDonald Village SRTS Replacement
Ohio Power Siting Board Case No. 10-146-GA-BNR**

Dear Kim:

Dominion East Ohio Company ("Dominion East Ohio") filed a Construction Notice for authority to replace +/-4,200 feet of the existing twelve inch high pressure distribution pipeline (L#4999) and +/-4,200 feet of the existing parallel eight inch high pressure distribution pipeline (L#412). Each line runs along the east side of McDonald Avenue from the intersection of Ohltown-McDonald Road and McDonald Avenue in McDonald Village. Each line continues south along McDonald Avenue within road right-of-way to the intersection of Watson-Marshall Road and McDonald Avenue. Dominion East Ohio will be submitting payment of \$2,000 so that the Construction Notice would be considered on an expedited basis.

If you have any questions please call at the number listed above.

Sincerely,

Sally W. Bloomfield
