Docketing Case No.: 10-0176-EL-ATA

Notes: This is ridiculous to UNJUSTIFIABLY to allow this company to raise mine and everyone elses rates by this much. You people and the Consumer Counsel should be replaced. I am AGAINST first energy's case 10-0176-EL-ATA filed february 12, 2010, because a 20% cap is still to much. I am also agaisnt the rest of the increases over 8 years. I also oppose First Energy's case 090906-EL-SSO because i dont want my distribution credit taken away. It's a sad day when the PUCO and Consumer Counsel allows a utility company to treat the PUBLIC and CONSUMERS in this manner!!

Please docket the attached in the case number above.
