RECEIVED-DOCKETING DIV

Docketing Case No.: 10-0176-EL-ATA

Notes: due to PUCO's lack of thought and blindly approving 1st energy rate increase . our electric bills have gone through the roof ! we went from 1.9 per kwh to 4.9 per kwh , our bill for jan 09 usage of 7925kwh was \$438.89. at 1.9kwh .---- jan.10 usage of 6984kwh at 4.9kwh. was\$638.83. we have done every thing possible to cut our usage back. in oct. 08 my wife contacted 1st energy about our discount continuing she was told as long as we owned this house it continue. so we put in a new high eff. heat pump and a new high eff. air handler and a hi-eff. water heater. if we would have known this rate hike was going to happen we would have gone with gas instead. please don't approve 1st energy's case#090906-el-sso or #10-0176-el-ata thank you

Please docket the attached in the case number above.
