Strongsville, OH 44149

Docketing Case No.: 10-0176-EL-ATA

Notes: This is in response to rate hike that came into effect a few mos. ago brought on by First Energy (Illuminating Co.) First of all not only is it a hardship to heat my (our) home so expensively but the future value of my no. 1 investment ! Does anyone know or figure out what could happen to the real estate value of thousands of home in northern Ohio. During these bad economic times raising rates more than double(as in my case) is absurd. I object to this rate hike and i hope you understand what the future holds to thousand of families in Northern Ohio I called FE to see how i can pay in a timely fashion because of my budget,, put on hold and never picked up. I'm sure there busy but they created this situation.

Please docket the attached in the case number above.
