Docketing Case No.: 10-0176-EL-ATA

Notes: RE: First Energy's All-Electric rate. Those folks that selected this rate have been paying less per unit than I for 30 some years. The net result of that is that I have been penalized for those 30 some years. I encourage you to let the all-electric home owners pay their appropriate and fair share by not forcing First Energy to reinstate that special, preferencial, unfair rate.

Please docket the attached in the case number above.
