Docketing Case No.: 10-0176-EL-ATA

Notes: What the heck is going on with the electricity prices? My God!!
and I am not even Christian, but I need a God now. I can see yearly increases of 2-4 % to keep up with inflation,
but I have to sell my house because I can't afford what you are allowing First Energy to charge for electricity.

Please docket the attached in the case number above.
