Bay Village, OH 44140

Docketing Case No.: 10-0176-EL-ATA

Notes: My bill per month increased from 360.00 last Feb. 09 to 633.72 Feb.10. When I called the electric company they told me their was a rate hike. I could see a increase of 100.00 or so, but this is robber plan and simple. I also learned that the company is getting many!!! calls, I can understand why. I can not beleive the PUCO would let this happen. I own a business myself and if I did something like this to good customers, I would be out of business. I hope other people speak up on this wrong doing. It's one thing to make money tha'ts great, but another to Rap- people. I'm sure you know what I mean. Your's truly, Joey Mann
