Docketing Case No.: 10-0176-EL-ATA

Notes: First of all kick the people of Ashtabula County down some more. I do not remember seeing a discloser or Right to Change discount for an all electric home.

My home was built in 2002 all electric. Thank you now I must decide on to pay my electric bill and have no home or pay my motgage and have no electric what do you think?

Single parent one income, 2009 income \$25,000 for the year. Home payment - \$513.00 / car payment 321.00, car insurance (must have) 64.50, loan \$125.00. Misc - \$223.00, this does not included food/gas/health & beauty/ pet food.

Also, being furlough one day every two weeks.

December electric bill \$177.00(actual reading),

Januaries electric bill (estimated reading due to the weather? \$330.00 (I thought Januaries weather was pretty mild what ever if thats the excuse they want to use so be it but I will only pay an estimated amount on my bill.)

Thank you for raising the rates and cancelling the all electric home discount that I had since 2002.

Please docket the attached in the case number above.
