COMPLAINT DESCRIPTION:

I would just like to add my name to the list of people who is OUTRAGED by the electric rate hikes!! Our bill is twice as much as it has been in the past and we are using LESS electricity. We have an all electric house and did not even have the all electric discount, so reinstating that would do us no good, I am just OUTRAGED that it is okay to increase that rates, and add a "service provider" FOR WHAT... Just so someone else is getting our money!!! Unacceptable!
