THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Default of Motor)
Carriers and Drivers Pursuant to) Case No. 09-1816-TR-CVF
Rule 4901:2-7-14, Ohio Administrative)
Code.)

ENTRY

The Commission finds:

- (1) Sections 4919.79, 4921.04, 4923.03, 4923.20, Revised Code, authorize the Commission to adopt safety rules consistent with, and equivalent in scope, coverage, and content to, the federal regulations governing the highway transportation and offering for transportation of hazardous materials. Pursuant to this authority, in Rule 4901:2-5-02, Ohio Administrative Code (O.A.C.), the Commission adopted the provisions of the Federal Motor Carrier Safety Regulations (FMCSR) of the U.S. Department of Transportation contained in Title 49, Parts 382, 383 and 390 through 397, Code of Federal Regulations (C.F.R.), and those portions of the hazardous materials regulations contained in Title 49, Parts 171 through 180, C.F.R., as are applicable to transportation by motor vehicle, unless specifically excluded or modified by a rule of the Commission.
- (2) Sections 4905.83, 4919.99, 4921.99 and 4923.99, Revised Code, authorizes the Commission to determine whether any person has committed a violation of the federal regulations adopted in Rule 4901:2-5-02, O.A.C., when transporting property, passengers, hazardous materials or offering hazardous materials for transportation, and assess a civil forfeiture of not more than ten thousand dollars per day for each violation against such person.
- (3) Accordingly, the Commission adopted the civil forfeiture and compliance proceeding rules contained in Chapter 4901:2-7, O.A.C. These rules require that a respondent be afforded reasonable notice and opportunity for a hearing where the Commission finds a violation of the regulations adopted in Rule 4901:2-5-02, O.A.C. Specifically, Rule 4901:2-7-07, O.A.C., requires that the Commission serve, by certified mail, a Notice of Intent to Assess Forfeiture (NIF) to a respondent within 90 days after the discovery of a violation but no more than one year following the violation. In addition, Rule

4901:2-7-12, O.A.C., states that a Notice of Preliminary Determination (NPD) may be issued to a respondent following the issuance of a NIF.

- (4) Pursuant to Rule 4901:2-7-14(A), O.A.C., a respondent upon whom a NIF or NPD has been served who fails within 30 days to pay the amount of the forfeiture stated in the notice or serve upon the Commission a request for conference or administrative hearing shall be in default. A respondent in default shall be deemed to have waived all further right to contest liability for the forfeiture described in the NIF or NPD. Pursuant to Rule 4901:2-7-14(D), O.A.C., if a respondent is in default, the Commission may, on its own motion and without prior notice, order payment of the amount indicated in the NIF or NPD.
- (5) By previous entry issued December 2, 2009, the Commission granted each respondent listed in the attachment an opportunity to show cause why it should not be held in default. A respondent could have demonstrated adequate cause by establishing that it was not properly served with notice in accordance with Rule 4901:2-7-03, O.A.C., paid the civil forfeiture notice, or served upon staff a request for conference within 30 days of receipt of the notice pursuant to Rule 4901:2-7-13, O.A.C. Upon Staff review of the responses, numerous civil forfeiture cases were removed from default for adequate cause shown. In addition, 409 civil forfeiture cases that were part of this proceeding have been paid and the total amount collected was \$54,541.00.
- (6) Staff served upon each of the respondents listed in the attachment a combined Notice of Apparent Violation and Intent to Assess Forfeiture and/or a Notice of Preliminary Determination, pursuant to Rules 4901:2-7-05, 4901:2-7-07, 4901:2-7-09 and 4901:2-7-12, O.A.C., for the amount indicated in the attachment. Therefore, each respondent is in default pursuant to Rule 4901:2-7-14, O.A.C., and the Commission finds the respondent liable for the amount indicated and orders the payment of such amount. In accordance with Rule 4901:2-7-15, O.A.C., any respondent found to be in default may file an application for rehearing pursuant to Rule 4901-1-35, O.A.C. This entry finds 2086 carriers and/or drivers in default and directs those carriers and drivers to pay forfeitures totaling \$337,070.00.

It is, therefore,

ORDERED, That each respondent listed in the attachment to this Entry is in default in accordance with Rule 4901:2-7-14, O.A.C., and must pay the forfeiture amount indicated by April 2, 2010, to avoid further collection efforts. It is, further,

ORDERED, That staff submit the attachment to this Entry to the Ohio Attorney General, Collections Enforcement Section after April 2, 2010, with a list of the respondents who have not paid. It is, further,

ORDERED, That a copy of this Entry be served upon each respondent identified in the attachment. It is, further,
