Docketing Case No.: 10-0176-EL-ATA

Notes: When we built one of the first "GREEN" homes in the area in the mid 1990, CEI (the Illuminating Company) offered us the "All electric rate" and also a "rebate check" if we would build an "all electric" home and then promised the rate would be ongoing because of the high efficiency of our construction and the Geothermal and heat recovery systems.
