Docketing Case No.: 10-0176-EL-ATA

Notes: We constructed this building as an all electric facility with the promise of an all electric discount. Our energy costs have escalated by at least 30%. We feel that we invested our money in all electric heating, cooking, Hot water heaters based on a promise which has been broken. The building houses 2 suites and an office. This is not the only account attached to the building.

Please docket the attached in the case number above.
