Docketing Case No.: 10-0176-EL-ATA

Notes: I am contacting you to complain about the increase in our electric rates. With many people struggling to pay their bills at a time when some are out of work or taking less pay, I cannot believe this has been allowed to happen. We also own a small business, and with the rate increase, we will have to raise our prices to the public. Unfortunately, this may put us out of business. I am very concerned and frightened. Please, if there is anything that can be done, I am sure the people would be very grateful. Thank you!
