Docketing Case No.: 10-0176-EL-ATA

Notes: I have been severely affected by First Energy's removal of the 'all electric' discount. My KWH rate has increased significantly over the rate 12 months ago. (During the last 6 months my rates was up to 4x higher than the corresponding bill from the prior year). I also invested in several heat pump systems for my home and bypassed other types of heat sources to keep my 'all electric' discount.

Please docket the attached in the case number above.
