COMPLAINT DESCRIPTION:

I want to be included in the emergency PUCO rulling reinstating all-electric rates. I have been left out due to taking ownership of my all-electric home after January 1, 2007. While I have not ever benefited from the discounted rates, I have been adversely affected because of the astronomical jump in the Distribution Related Component (formerly Delivery Charge). I am using less kilowatts than the previous year and being charged hundreds of dollars more!

Please file this in the docket for Case No. 10-176-EL-ATA. Thank you.
