Re: First Energy Case #10-176-EL-ATA

Dear Commissioners:

When we purchase our home we could not get gas to our home. They assured ~~us~~ electricity would be held at a cheap rate. This is unfair to us. If we can't they should bring gas to our homes.

Sincerely,
Thomas Powis

No you realize what this will do to the housing market. We won't be able to give all our houses away. You're talking 1000.00 thousand houses. Please do something to make them keep their promise. They are buying the surrounding communities so they don't meet the money.

Sincerely,

Thomas Powis
