Docketing Case No.: 10-0176-EL-ATA

Notes: Thanks for "screwing" all-electric home owners!!! After the meeting in Strongsville last night, we should be grandfathered in with an all-electric discount for life...this was agreed upon when we built our home in 1975. Slipping in this increase certainly changes any trust issue that we have with your company!
I understand I am not alone!
Do something to bring it back...you CAN if you don't want to line your pockets without screwing people who bought all- electric homes and by now are seniors...
Thanks for your attention. I hope this note is not ignored!
