RECEIVED-DOCKETING DIV

PUCO

Docketing Case No.: 10-0176-EL-ATA

Notes: I am very upset that my all electric rate which I recieve when I built my house 26 years ago has been taken away without any negotiation or phase in. I have no other alternatives without a major capital outlay which I don't have. Meanwhile my bill went from \$400 last January to \$1100 with eseentially the same usage. This is causing me financial stress and is very unfair. I would like a response as to what The PUCO is doing about it.
