Docketing Case No.: 10-0176-EL-ATA

Notes: The City is getting a number of calls from residents regarding their unusually large electric bills this winter. I am trying to find a citation on your site for the case recently filed against CEI or First Energy regarding the elimination of the all electric house discount that became effective in June of 2009. The case from what I understand came from Senator Grendel. Do you have the case citation?

Please docket the attached in the case number above.
