Docketing Case No.: 10-0176-EL-ATA

Notes: The Illuminating Company has increased our electric rate nearly 350% on our all electric home. This increase was without warning and is completely unwarranted. I want to know what the PUCO is going to do about this. I know I didn't receive a 350% salary increase last year and I can't see how this can be justified.

Please docket the attached in the case number above.
