COMPLAINT DESCRIPTION:

PUCO,

Glad to see that the PUCO is moving forward to rescind the latest rate increases for ALL ELECTRIC HOMES.

What about the rest of us who had "reduced" electric rates?

My wife and I converted to geothermal heating from oil in 2008 and now have what most people would consider an all electric home.

We use to have an electric "water heater rate" with the Illuminating Company. Our Electric Bill went

from UNDER \$200 per month in February 2009 to OVER \$330 per month in February 2010 and we used 20 less KW's.

THAT'S OVER A 66% INCREASE!!!!

Did I mention my employer had a 10% wage reduction 3 years ago? 2.5% was reinstated in January 2010. No merit increases over the past 3 years. Nearly 50% laid off. Thankfully I still have a job!

Lets be fair and reinstate all electric rate adjustments!

Thank you,
