COMPLAINT DESCRIPTION:

I have an all electric home. I'm divorced and making 13.00 hr.I own my own home.my electric bill is almost half of what I bring home.I'm getting behind on payments. my payments have almost tripled what I use to pay. I started bankrupcey proceedings, but the puc needs to due something about these outrageous electric bills...I don't know what to do..go hungry, not pay other bills! I've lived in my house 20 plus years and Do Not want to lose it.I went all electric a few years ago, put in a electric furnace and got the 80 gallon hot water tank, stove,dryer,washer,was told if I did this I would get a special rate.....it was a god send.now I'm screwed!! it's only me and my boyfriend here, don't understand how it got like this! sandra scott
