Re: First Energy Case #10-176-EL-ATA

Dear Commissioners:

I would like to express my disdain for the cost increase in my "all" electric heating bill. I am surprised to find that my bill has almost doubled in the past year. This sudden rise has put a burden on our monthly budget. We are a family of five and we are very limited in our money. However, I am a good steward of my budget and it is stable "thank God" things are becoming more difficult to do. We have little left over for our children & their future. Please consider where the money is going & require accountability from the responsible parties.

Sincerely, Lisa Amato (wife)
