Docketing Case No.: 10-0176-EL-ATA

Notes: I don't understand how you can allow an ALL ELECTRIC home to get a break on the electricity for the winter HEATING bills. WE, as gas/electric homes have to pay the same amount in TOTAL for the gas and electric bills. While they get a break in the winter on the "big" bills and we are paying a larger share for out electric and an even bigger bill for gas but TOTAL it is about the same for their ONE BILL! My last bill was \$146.18 and my Gas Bill was \$240
THIS IS NOT FAIR!!!!!!!!!!!!!!!!!!!!!!

Please docket the attached in the case number above.
