Docketing Case No.: 10-0176-EL-ATA

Notes:

Customer had a discount for water heating. He is a disabled veteran on a fixed income and he can't bear the increase from losing the all electric discount. Bill for the same consumption last year has increased 27% which is outrageous. He wants his displeasure with this noted. He has had a tremendous increase in his heating oil and now there's an increase to his electric. He simply can't afford this. Please docket the attached in the case number above.
